2. How long do you wish Laura to speak?
3. Where will you host this event?
4. What is the nearest major airport?
5. Do you plan to charge a fee? If so, approximately how much?
6. How many do you anticipate in attendance?
7. Is this event open to those outside of your church/group?
8. Will details about this event be accessible on a web site? Can people register online?
9. Are you willing to help Laura find additional events on other topics while in your area? This can bring the cost for your event down if she can implement additional events.
